

Joyful Smiles Thru Faith

Dear x,

When 2-year-old Aniecellah was hospitalized with leukemia, her parents were sick with worry. The tiny toddler didn't understand why she had to stay in her hospital room, and **the machines and tubing scared her.**

That's when the nurse at ProMedica's Children's Hospital **gave her one of our Kare Packages** — reusable pouches filled with toys, crayons, activities, and a handmade Thinking of You card. Suddenly, the whole room got brighter, and Annabelle's face lit up with excitement.

She had transformed from **a scared, bored little girl into a lively, happy one.** The family felt a huge sense of relief watching their sick baby play, and for a short while, life didn't seem so scary.

This is our mission. We create moments of joy for children that need it most.

As someone that works in healthcare, you understand how important it is to support our community's children. **Childhood trauma has lasting effects, but Joyful Smiles Thru Faith seeks to ease their suffering and minimize the severity of that trauma with our Kare Package deliveries.**

We've created a strong network to ensure that we serve every child in crisis. We have affiliations with Promedica Children's Hospital, Mercy Children's Hospital, Zepf Center, and Toledo Public Schools. Our Kare Packages are also given to children that have been abused, bullied, or are suicidal.

We are a small 501(c)(3) organization supported by ordinary people just like you who choose to join our cause. We've donated almost 1,000 Kare Packages since our founding in 2015. **Now we need your help to continue supporting our community's most vulnerable children.**

You have the opportunity to make a lasting impact on the children of Northwest Ohio. Your contribution will fill more Kare Packages with toys and activities. It pays for the outreach tables we set up at local events to spread awareness about what we do. We don't want to miss a single child that needs our help. **You'll be proud to be a part of such a worthy cause.**

Toledo's kids are counting on each of us to do our part. Donating is simple and only takes a few minutes.

Will you join us in our mission?
